We the People

A FILM BY KEN BURNS, SARAH BOTSTEIN & DAVID SCHMIDT

6-WEEK
SERIES

2PM
LIVING ROOM

The Revolution began a movement for people around the world to imagine new and better futures for themselves, their nations, and for humanity. It declared American independence with promises that we continue to strive for. The American Revolution opened the door to advance civil liberties and human rights, and it asked questions that we are still trying to answer today.

TUESDAYS

DECEMBER 2, 9, 23, 30

The American Revolution was at once a war for independence, a civil war, and a world war. It impacted millions – from Canada to the Caribbean and beyond. Few escaped its violence.
